To Whom It May Concern:

Re: Obtaining an individual certificate of RoHS compliance and/or individual part weights

For the convenience of our customers, this information can be found easily on our website by following these instructions.

1. Go to [www.belden.com](http://www.belden.com)
2. Go to the Products pulldown at the top of the page and under "Online Catalog", select "Search by Part Number."
3. Enter the Belden standard part number into the tool bar and hit Enter.
4. Click on the blue number corresponding to part number.
5. The bulk cable weight can be found on the Mechanical Characteristics portion of the table on this page.
6. By clicking "DOCUMENTS" in the center of the page, you will see a list of available documents for this part, including the RoHS Documentation, which can then be downloaded for customer use.

Sincerely,

*Alice C. Albrinck*
