

October 31, 2013

Dear Valued Customer,

This letter serves as your formal notification that Belden is initiating the End of Life process for **GarrettCom GBIC Transceivers and Supporting Modules**. The key milestones and affected part numbers are listed in this letter. The objective of providing this notice is to allow for appropriate planning and the opportunity for last time purchases, as well as to suggest alternative products. For more information on Belden's end-of-life policy for Industrial Networking products, please visit [www.belden.com/eol](http://www.belden.com/eol).

The standard warranty terms will be honored for all units shipped up to the Last Shipment Date. Orders placed between the Announcement Date and the Last Order Date are non-cancelable and non-refundable.

**End of Life Milestones**

Milestone	Date
End of Life Announcement Date	October 31, 2013
Last Order Date	July 31, 2014
Last Shipment Date	October 31, 2014
Last Service Date	October 31, 2017

Special contracts in place and active prior to the Announcement Date with regard to product availability, warranty, or support terms will be honored according to the terms of that contract. Belden will make every effort to have the products available for purchase until the Last Order Date; however, there may be situations where material constraints cause the supply to be exhausted sooner.

**End-of-Life Product(s)**

EOL Product Family	Description	Suggested Alternative(s)	Description
GBIC	GBIC transceivers and supporting modules	Small Form-factor Pluggable (SFP)	SFP transceivers and supporting modules

A detailed list of all EOL part numbers can be found at the end of this letter.

If you have any questions or for assistance selecting alternative products, please contact your local Belden sales representative ([North America contact information](#) and [International contact information](#)).

Sincerely,

Carey Trost  
Director, Product Management
