

November 8, 2013

Dear Valued Customer,

This letter serves as your formal notification that Belden is initiating the End of Life process for the **GarrettCom Magnum Integrated Traffic System Blade**. The key milestones and affected part numbers are listed in this letter.

Due to component obsolescence, the products listed in this announcement are no longer orderable as of the date of this letter. This is an isolated situation and does not reflect Belden's typical process for discontinuing products. For more information on Belden's end-of-life policy for Industrial Networking products, please visit [www.belden.com/eol](http://www.belden.com/eol).

The standard warranty terms will be honored for all units shipped up to the Last Shipment Date.

**End of Life Milestones**

Milestone	Date
End of Life Announcement Date	November 8, 2013
Last Order Date	November 8, 2013
Last Shipment Date	November 8, 2013
Last Service Date	November 8, 2016

Special contracts in place and active prior to the Announcement Date with regard to product availability, warranty, or support terms will be honored according to the terms of that contract.

**End-of-Life Product(s)**

EOL Product Family	Description
TC62F	Ethernet Switch for 2070 Traffic Control Chassis

A detailed list of all EOL part numbers can be found at the end of this letter.

If you have any questions or for assistance selecting alternative products, please contact your local Belden sales representative ([North America contact information](#) and [International contact information](#)).

Sincerely,

Carey Trost  
Director, Product Management
