Dear Valued Customer,

This letter serves as your formal notification that Belden is discontinuing Hirschmann modules **MM3-4FLM4 (MICE-Switch Module)** and **M4-AIR-L (MACH4002 Fan Module)**, effective **June 31, 2017**.

Both MM3-4FLM4 and M4-AIR-L contain components which have become obsolete. Belden has a limited stock of these devices that will last until final delivery date (December 31, 2017).

There is no replacement available for the MICE module MM3-4FLM4.

The already available M4-AIR is the recommended replacement part for the M4-AIR-L, as it provides the functions and solutions you gained from the fan module being discontinued.
