

March 02, 2015

Dear Valued Customer,

This letter serves as your formal notification that Belden is discontinuing the **Tofino SCADA Security Simulator product, effective immediately.**

Tofino SCADA Security Simulator is a demo control system in a box, designed for easy presentation of control system and security concepts. Among other components like PLC, Notebook, the demo box included Hirschmann Eagle 20 Tofino and Tofino Central Management Platform (CMP) software.

As per announcement by Belden on 1 August 2014, Hirschmann Eagle 20 Tofino and Tofino CMP software are discontinued and replaced by our next generation Tofino products: Tofino Xenon and Tofino Configurator (TC). Accordingly, Tofino SCADA Security Simulator requires an upgrade to its design in order to operate with these successor products. Therefore, until further notice Tofino SCADA Security Simulator is not available for order.

Discontinued Product(s)

Discontinued Product Family	Description	Suggested Alternative	Description
Tofino SCADA Security Simulator	A Portable SCADA System for Security Research and Training	None	Next upgrade in development

The standard warranty terms will be honored for all units shipped to date. For more information on Belden's Long Term Product Support Policy for Industrial Networking products, please visit www.belden.com/ltps. Special contracts in place and active prior to the announcement date will be honored according to the terms of that contract, with regard to product availability, warranty, or support terms.

For further reference, the following products and milestones were announced earlier in the End of Life (EOL) notification on 1 August 2014.

Discontinued Product(s)

Discontinued Product Family	Description	Suggested Alternative	Description
EAGLE 20 Tofino Tofino Argon	Zone Level security appliance with Deep Packet Inspection	Tofino Xenon	Zone Level security appliance with Deep Packet Inspection

Discontinuation Milestones – EAGLE 20 Tofino and Tofino Argon Hardware

Milestone	Date
Discontinuation Announcement Date	August 1, 2014
Last Order Date	December 31, 2014
Last Shipment Date	March 31, 2015
Last Service Date	March 31, 2020

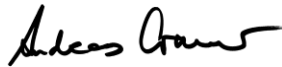

Discontinuation Milestones – EAGLE 20 Tofino and Tofino Argon Software

Milestone	Date
Discontinuation Announcement Date	August 1, 2014
Last Order Date	June 30, 2015
Last Shipment Date	June 30, 2015
Last Service Date	June 30, 2015

A detailed list of all discontinued part numbers can be found at the end of this letter.
